Name and Surname: ……

Supplement to application for M.Sc. Neuroscience 2020

Please fill out the following form to demonstrate that you fulfill the entry requirement:

(1) At first Bachelor degree with at least 100 ECTS in natural sciences, mathematics, computer science, or engineering sciences

(2) *of which* at least 20 ECTS must be in mathematics or physics.

Note that if you have not completed your Bachelor degree yet, you only need to have completed 80 ECTS (not 100 ECTS) in natural sciences, mathematics, computer science or engineering sciences at the time of application. However, if you are accepted for the MSc Neuroscience program you will need proof of a completed Bachelor degree with 100 ECTS at the time of enrollment.

1. Modules in natural sciences, mathematics, computer science, or engineering sciences

Courses name (as on your transcript)	Number of ECTS

2. Mathematics/Physics courses. Note, that a module that can be listed in this table can also be listed in table 1.

Courses name (as on your transcript)	Number of ECTS
Sum of ECTS:	

In the case your transcript does not list ECTS:

Please read the information sheet on how to transfer other credits to ECTS. This information sheet can be found on www.mscneuro.uni-freiburg.de. Please indicate which method from the information sheet you used (give the number of the method; if you used method iii please also give the values of the parameters C,Y and A):
