Statement to application

for M.Sc. Neuroscience, University Freiburg

2018

Your Name and Surname: …………………………………..……………………………………

I hereby declare that all of the information I have provided is complete and correct. I am aware that missing or incomplete information, whether deliberate or the result of negligence, may exclude me from the admission procedure or – if it is not noticed until after I matriculate – may lead to revocation of my admission.

Furthermore, I declare that all statements concerning study periods and degrees are correct. I confirm that I have written the motivation letter by myself, without outside help and that I marked clearly all contents taken from other sources.
